

### REMARKS

The Examiner's action of September 21, 2004 is noted in which Claims 8 and 10 are allowed and in which Claims 2-5, 7 and 9 are indicated as containing allowable subject matter.

The drawings are objected to by the Examiner for failure to place a legend on Figure 4 of "Prior Art."

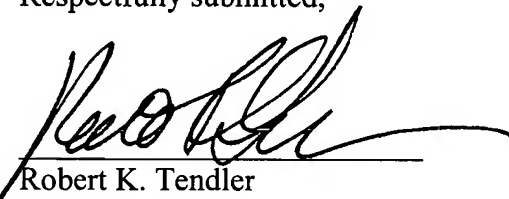

Applicant will attend to this drawing change upon allowance of the claims in this case.

Applicant has amended the claims to insert the allowable subject matter of Claim 2 into Claim 1, and has rearranged the dependencies in Claims 3, 6 and 9, having canceled Claim 2 without prejudice.

In view of the above Amendment and subject to submission of corrected drawings, Applicant asserts that the subject Application is in condition for allowance.

Allowance of the claims and issuance of the case is therefore earnestly solicited.

Respectfully submitted,
